

MAPERUBBER EPDM 15

Granulated decorative EPDM filler for aliphatic polyurethane self-levelling compounds

WHERE TO USE

Maperubber EPDM 15 is used as a decorative filler material for **Mapedek Design** and **Mapedek Soft Design** aliphatic polyurethane self-levelling compounds.

TECHNICAL CHARACTERISTICS

Maperubber EPDM 15 is ideal for achieving the desired aesthetic effects, thanks to its wide range of colours and ease of use.

RECOMMENDATIONS

- Do not use under any circumstances if the product is wet or damp.
- Avoid contact with organic oils and solvents.

APPLICATION PROCEDURE

Add the product to **Mapedek Design** and **Mapedek Soft Design** after mixing for a second time, as per the Technical Data Sheet, and then broadcast the surface with the quantity required. Adding an excessive amount of filler or broadcasting it unevenly could result in a defective finish.

CONSUMPTION

Add to the resin at a suitable dosage to achieve the desired aesthetic effect. Excessive dosage may compromise the homogeneity of the aesthetic effect.

PACKAGING

25 kg bags.

STORAGE

Store the product in its original packaging in a dry area and away from direct UV rays. Do not use or store if it becomes damp or wet.

SAFETY INSTRUCTIONS FOR PREPARATION AND APPLICATION

Instructions for the safe use of our products can be found on the latest version of the Safety Data Sheet, available from our website www.mapei.com.

PRODUCT FOR PROFESSIONAL USE.

TECHNICAL DATA (typical values)

PRODUCT IDENTITY

Colour:	21 different colours available
Consistency:	granules
Particle size distribution (mm):	0.5-1.5
Density (g/cm ³):	1.59
Bulk density (g/cm ³):	0.65 (average value)

WARNING

Although the technical details and recommendations contained in this product data sheet correspond to the best of our knowledge and experience, all the above information must, in every case, be taken as merely indicative and subject to confirmation after long-term practical application; for this reason, anyone who intends to use the product must ensure beforehand that it is suitable for the envisaged application. In every case, the user alone is fully responsible for any consequences deriving from the use of the product.

Please refer to the current version of the Technical Data Sheet, available from our website www.mapei.com

LEGAL NOTICE

The contents of this Technical Data Sheet ("TDS") may be copied into another project-related document, but the resulting document shall not supplement or replace requirements per the TDS in force at the time of the MAPEI product installation.

The most up-to-date TDS can be downloaded from our website www.mapei.com.

ANY ALTERATION TO THE WORDING OR REQUIREMENTS CONTAINED OR DERIVED FROM THIS TDS EXCLUDES THE RESPONSIBILITY OF MAPEI.
